RE: Resolution to close all 67th District Courthouses and move them to the City of Flint – McCree Building

Please be advised that the 67th District Court is not closing in Davison and moving its operations to the McCree building in the City of Flint on November 30 or any other date. The authority to direct our hours and manner of operation rests within the Court. As Chief Judge and with the unanimous and vigorous support of each of the 67th District Court Judges, I am directing that court to remain open. Judge Manley will continue to preside there. In the future, please provide notice to the public and the court before passing meaningless illegal resolutions based on false and deceptive data. The public deserves better from its elected representatives. Our court will continue to operate fairly and efficiently at each of its locations. Let me conclude by reminding you that the Court is not a department of the county. Rather, it is a separate branch of government.
